CALL BY NUMBER

The "Blue Book" is your personal telephone directory. You'll find it handy to list the local and long distance telephone numbers you call regularly. Just call your Service Representative at the telephone Business Office.

AND REMEMBER

When you call "long distance,"

CALL BY NUMBER . .

it's faster!

"Please call me when you have any question about telephone service"

"Miss Service Representative" —your personal representative at Illinois Bell

"ANY TIME you have a question about your telephone—whether it's about your bill, rates, ordering an extension, moving your telephone, getting an extra listing in the directory, or nearly anything—please call me.

"You see, I'm a 'Service Representative,' which means I'm your *personal representative* at Illinois Bell. You might describe my job as being the *link* between you and the thousands of men and women in our company who are working to give you good service.

"Of course, I may not be able to answer *every* question you ask immediately. But I'll *get* the answer for you as fast as I can. Remember, there's no charge for local calls to me. Call me at your telephone Business Office."

YOU'RE THE BOSS!

It's true. *You* are the boss of the telephone company—the one we're really trying to please.

We telephone people try to give you the best service we can *all* the time.

That's why we welcome your criticisms and suggestions.

We get them daily in comments and letters. And every six months we interview 3,000 customers, asking questions like this:

What one thing about your service most needs improvement?

Can you recall any occasion when you were particularly annoyed by something the telephone company did, or failed to do?

Then we analyze the answers. They tell us where our service can be improved and where it is good.

Being human, we can't always please everyone. But we can try—and we *do*. We will keep on trying because, after all, *you* are the boss.

Anything on your mind now, boss?

Gary, named in honor of Judge Elbert H. Gary, is located in Lake County, Indiana, on the southern shores of Lake Michigan. Here, in 1906, the United States Steel Company began the construction of a new steel works in the heart of the sand dunes which had lain barren for centuries. The triumph of man's engineering skill over the forces of nature in the city's march to metropolitan size has been celebrated in prose and poetry throughout America.

Situated in one of the wonder scenic regions of America, Gary has the largest steel, rail, tin and cement plants in the world, a world famous educational system, and boasts a public spirited citizenry that continues to beautify and improve this wonder city of the Twentieth Century.

Transportation

Gary's facilities for transportation by rail and water have been one of the important causes of its remarkable growth. The city is served by the Baltimore & Ohio, Chicago, South Shore & South Bend, Michigan Central, New York Central, Nickel Plate, Pennsylvania and Wabash railroads. There are, in addition to these, two belt lines serving the industrial district while numerous motor coach and interurban lines connect with points to the south, east and west. Excellent bus service is operated to all sections of the city by the Gary Railways Co.

Recreation

The sand dunes of the Calumet Region have long been the source of attraction to naturalists, geologists and pleasure seekers from many points. The Indiana Dunes State Park, which is being improved by the State of Indiana, is located a few miles east of Gary along the shores of Lake Michigan.

The Gary Park System contains fourteen beautiful parks which offer recreation and diversion of all kinds. There is ample provision for golf, tennis, baseball, picnicking, swimming and boating, while numerous playgrounds offer carefully supervised recreation for children. Gary has several fine theatres of beautiful design.

Education

No single institution can offer a greater testimonial to Gary's civic growth than its unique educational system. The Gary Plan is designed to give the boys and girls of Gary a balanced program in work, study and play for as long a school day, week, and year as possible. Eight of Gary's school centers house kindergarten through high school. Two centers provide activities in kindergarten through the eighth grade; and the remaining twelve provide an educational program for kindergarten and primary pupils. The Gary schools emphasize diverse educational opportunities such as recreation, night school and summer school. There are, in addition in Gary, ten well equipped parochial schools.
